

Guided Hunt Gear Checklist

Clothing

- Waterproof rain jacket
- Waterproof over trousers
- Down/insulated jacket
- Fleece long sleeve top/ wind stopper
- Short sleeve top
- Long johns/thermal bottoms x 2
- Long sleeve thermal tops x 2
- Long trousers
- Shorts
- 3-5 x pairs of good, warm woollen socks
- Wool/warm hat or beanie
- Cap or sun hat
- Gloves x 2 pairs
- Gaiters
- Good mountain boots - *(they'll need to be very clean to clear NZ customs)* preferably leather with rigid sole. Brands like Lowa, Meindl, Kenetrek all perform well in our conditions.
- Sunglasses - if mountain hunting

Hardware

- Backpack - 70 litre at least
- Pack liner - big survival bag/liner to keep gear dry
- Rain cover for pack
- Daypack - 20-40 litre
- Firearm - we can provide these, but [click here](#) if you're wanting to bring your own.
- Ammunition x 3 boxes (if bringing your own gun)
- Four season sleeping bag - 700 loft minimum
- Sleeping mat - Thermarest or quality equivalent

- Walking sticks - collapsible is best
- Head light - plus spare battery or charging cables
- Knife or Havelon
- Binoculars - preferably 10 x 42

Other Personal Items

- Toiletries - tooth brush, tooth paste etc
- Camera or phone
- Water bottle - at least 1 litre
- Medication (own personal stuff - ie inhaler, prescription drugs etc)
